Material Certification-Concrete Sand

March 01, 2009

RE: ASTM C-33 Product 102-Concrete Sand Material Certification

This letter is to certify that the natural sand processed and marketed by Alliance Sand and Aggregates, LLC (County Road 75 Plant) is from an ALDOT approved source and tested in accordance with ASTM-C33 specifications and meets all the requirements of ALDOT-249 "Quality Control Program for Fine Aggregates".

A handwritten signature in black ink, appearing to read 'RDT', is written over a horizontal line.

Sincerely, Rodney D. Terry
