Material Certification-Concrete Sand

January 01, 2017

RE: ASTM C-33 Product 102-Concrete Sand Material Certification

This letter is to certify that the natural sand processed and marketed by Alliance Sand and Aggregates, LLC (County Road 75 Plant) is from an ALDOT approved source and tested in accordance with ASTM-C33 specifications and meets all the requirements of ALDOT-249 "Quality Control Program for Fine Aggregates". There are no known instances of alkali reactivity in ready mix designed with products produced at Alliance Sand and Aggregates, LLC.

A handwritten signature in blue ink, appearing to read 'RD Terry', is written over a light blue horizontal line.

Sincerely, Rodney D. Terry
